

Newsletter September / October 2020

A Massive Welcome to everyone at the beginning of this new and very strange start to our Pre-School year. Hopefully the restrictions in place now, will soon be enough to enable life to continue in a more relaxed way again.

Exciting Changes

We are very pleased to be back to our more normal pre-school, and really appreciate everyone's patience and support in helping to be safe as possible.

We realise it must be very difficult for you when your child is upset at drop off. With this in mind, we will upload photographs on tapestry to help reassure you they are fine after a short while.

If you are unsure of how to access tapestry, then please let us know.

Donna, can run through the process or message you on Whats App, whichever you prefer.

Hopefully, you have noticed, that in the holidays, we have been painting and having a clear up. Unfortunately, due to unforeseen circumstances, we had a bit of a delay and our new sandpit and front garden area is still in the process of completion. Although we can still play there safely.

The children are settling in well to our new layout in the main room. We have removed a lot of our cupboards and resources. This is to help create a more open, relaxed and easier to clean environment, for them to play in.

We still have all the same toys and activities that the children enjoy, they are just presented to them in a more accessible way.

Even in the short period of time that we have been back, the children have been playing really well together and we are seeing lots of good interactions and involved play.
